

YACHTS DE PARIS

A WARM AND CHIC SPACE

With its surface of 600 square meters on two levels, the Liberty Barge can host companies and brands for conferences, seminars or other types of events.

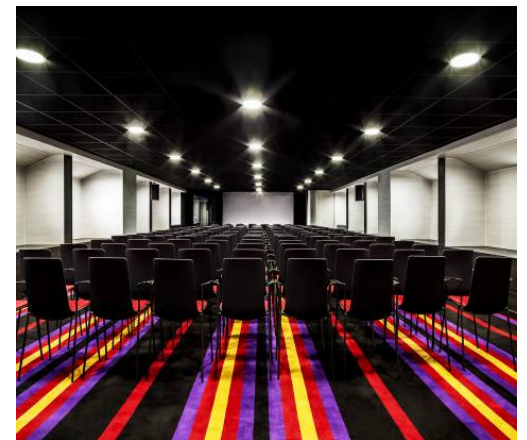

This ultra-personalized houseboat has been totally refurbished and conceived as a self-sufficient home, open to the sky and the water.

The entrance is by and an exterior terrace; through the wide windows you can look into a 'Home Sweet Home' interior, in keeping with the architectural and decorative guidelines for the project.

Once inside, our concierge will welcome you and you will discover an open space bathed in natural light.

While reception is on the main level, a high-tech conference room on the lower level can accommodate approximately 200 guests.

Every vessels in the Yachts de Paris fleet can dock on the Seine side of the barge for a luncheon or dinner cruise.
