

YACHTS DE PARIS

## TRENDY AND SPECTACULAR

As born from a dream, le **MIRAGE** is the most eccentric of the Yachts de Paris.

This meteorite inspired by designer hotels is one of the trendiest places in the capital. It plays on the contrast between black and white, glossy and matte. With its wraparound walkaways and picture windows, it offers a panoramic view of Paris.

A spectacular floating loft that can hold more than 200 passengers. The **MIRAGE** lends itself naturally to product launches, fashion shows, night-clubbing parties, shows and much more.

For all receptions of 100 to 230 guests, **MIRAGE** is an easily customizing place.
